Sponsor a Career-Defining Experience

ULI is committed to educating the next generation of diverse industry leaders. To help reach that goal, ULI Learning is delivering education and programming for life-long learning, emphasizing post-secondary engagement through ULI University Connections.

Consider welcoming a student into the industry and ULI by providing a student registration to ULI’s 2022 Spring Meeting. ULI offers a student-specific education and events track on Monday, April 18 at Spring Meeting to further engage the next generation of industry leaders.

ULI Meetings are an eye-opening opportunity for students to connect with our industry and can supply pivotal career-defining moments and connections.

The ULI Foundation, in partnership with ULI’s University Connections team, will direct your tax-deductible contribution to support a student who requires financial assistance to attend Spring Meeting. Donate before February 25 to sponsor a student in April.
