THE OASIS

21c MUSEUM HOTEL

OFFICES (BEHIND)

Housing is a primary focus of the LIFELINE in addition to its bustling cultural corridor. Multi-family housing complexes are arranged around a central courtyard that contains amenities for the residents. The housing sits atop a parking structure ringed with retail and live work units. This provides all the parking necessary for the residents and the adjacent public features. Additionally, the parking structure provides a flood-able level to mitigate the high tides.
